

When Grandior Cabinetry was founded, we had you in mind. Our goal was to create cabinets that brought value and function to your home. We made this a reality by blending features of traditional cabinetry with specialty elements only found in custom-built cabinets. Over the years, we have added new storage and modification options that create a kitchen specifically for you, in your price range.

Founded in 2012, Grandior Cabinetry has utilized technology, experience, and a dedicated team to become one of the country's leading distributors of stock cabinetry. Now with over 500,000 square feet of fully stocked warehouse space across the country, Grandior Cabinetry is providing industry leading turnaround times nationwide. We pride ourselves not only with a quick shipping program, but with having Framed and Frameless door style offerings that are on trend and yet timeless.
